

SHOW PREVIEW

Visit Vietnam and network with coating professionals

Don't miss your chance to learn about the latest paint and coatings technologies at this year's Asia Coatings Congress.

Alicia Tyznik *Editor*

The premier forum for the coatings industry in Asia will be taking place this spring in beautiful Vietnam. The Asia Coatings Congress 2017 will be held May 16-17 at the Intercontinental Hotel in Ho Chi Minh City. The show is a two-day specialized conference and exhibition that provides attendees with an opportunity to meet and network with the world's leading manufacturers and suppliers showcasing their products and services.

Organized by The Coatings Group and dmg events, this event will promote the latest paint and coatings technologies for the region's environmental, manufacturing, and industrial needs, making it a suitable platform for discussing industry issues and updating your knowledge of the coatings industry. There is no other event of this kind in the region, making it the best place to meet up with other decision makers in the industry.

Highlights

Conference. The conference program will include sessions focused on the conference's theme: "Innovative solutions for tomorrow's coatings challenges." The sessions will cover a broad range of topics related to the coatings industry, giving you the opportunity to share your knowledge with the region's key producers, raw material suppliers, and active professionals in the market.

Supported by the Vietnam Paint & Printing Ink Association (VPIA), the conference will concentrate on sustainability, regulations, renewables, and composites. It will give you the opportunity to discuss the latest industry developments and innovations while networking with senior coatings personnel from all over the world, including managing directors, technical managers, buyers, chemists, formulators, and scientists.

Exhibition. More than 40 exhibitors will be displaying the latest solutions to help attendees stay competitive in the market. All sectors of the coatings industry have been invited to exhibit, including chemical and raw material suppliers of additives, biocides, chemicals, extenders and fillers, pigments, polymers, resins, solvents, and waxes. Test equipment manufacturers and suppliers were also invited, including accelerated weathering, gloss and color measurement and control, corrosion testing, instrumentation, and paint and dry film testing providers. For plant and machinery equipment, dispersers, drums, fillers, mixers, process controllers, mills, filling and packaging equipment, and tinting systems will be on display. Other exhibits may showcase color forecasting, color cards, health and safety initiatives, and more. A full list of exhibitors is available on the show website.

Show information

Venue. The Asia Coatings Congress 2017 will be held at the Intercontinental Asiana Saigon in downtown Ho Chi Minh City, Vietnam. The hotel is linked to the Kumho Asiana Plaza, which offers many retail options. It is also close to several historical and cultural attractions, including Notre Dame Cathedral, Ben Thanh Market, and Reunification Palace. The hotel has two onsite bars and one onsite restaurant.

Show hours. 10:00 a.m. to 6:00 p.m. on Tuesday, May 16, and 10:00 a.m. to 4:00 p.m. on Wednesday, May 17.

Registration. Registration is \$95. An early bird rate of \$75 is available on or before May 1. The registration form is accessible on the show website.

Contact info. For more information about the show, contact Mr. Kez Chen at +44-1737-855-107 or kezchen@dmgeventsme.com. The official show website is www.coatings-group.com/acc. **PC**
